---	--

**Issued in respect of : PAINS WESSEX LINETHROWER 250**

This approval is issued for the items specified herein and in terms of:

- Regulation 47(2) read with Annex 11 of the Life-Saving Equipment Regulations 1968, as amended.
- Chapter III, Part A, Regulation 4 of the International Convention on Safety of Life at Sea 1974, as amended.

The item(s) are approved for use on board South African ships which are required to comply with the above regulations

This approval is issued for the items described as: **A self-contained line-throwing appliance consisting of a weatherproof plastic casing with end cap, twist-grip trigger assembly, rocket and 250m of flaked line.**

The approval is subject to the following conditions:

- 1 The equipment manufactured has not been modified or varied from the original, tested prototype or specimen;
- 2 The equipment displays the date of manufacture and date of next service, the number of persons it is certified to carry and meets all the requirements of SOLAS 1974, as amended;;
- 3 The equipment has clear and concise instructions for launching procedures;;
- 4 The equipment contained within the raft is according to SAMS SA policy and guidelines and SAMS SA approved;
- 5 The equipment remains fit for use whilst in service; and
- 6 The liferaft and equipment are serviced by an authorised liferaft service station.

This certificate remains valid until the date stated hereon, unless canceled or revoked by the Authority which may withdraw this approval at any time for reasons of non-compliance with the applicable regulations referred to in this Certificate of Approval

It is the responsibility of the manufacturer to notify the Authority of any modifications or changes to the equipment to ensure the continued validity of this certificate.

Dated at **CAPE TOWN** on **18<sup>th</sup> DECEMBER 2017** and valid until **13<sup>th</sup> FEBRUARY 2022**
